

Saturday, September 27, 2014 – Friday, October 3, 2014

Note: Information in this update is intended to highlight the week's major grizzly bear management actions and is not intended to be a comprehensive detailing of all management activities. Information in this update is draft and subject to change as details from the field become available. Finalized annual reporting of this information is published in the annual report of the Interagency Grizzly Bear Study Team available at: <http://www.nrmssc.usgs.gov/products/IGBST>

Verified Grizzly Bear Killed Livestock

- Verified four (4) calves killed or injured by grizzly bears on Forest Service grazing allotments in the Pinedale Region.
- Verified one (1) adult cow killed by a grizzly bear on a Forest Service grazing allotment in the Cody Region.

Research and Monitoring

- Searched for a grizzly bear collar in southern Yellowstone National Park.

Bear Management (Captures, Relocations, and Removals)

- Captured and relocated two yearlings from a family group that killed an adult cow.

Law Enforcement and Related Activities

- Nothing to report.

Outreach and Education

- Presented bear education material to Cody East Side Elementary School students and parents.
